

Hi! I'm Luke

I'm almost 3. I am a joy to care for and interested in everything. Are you looking for a child to have fun with? I need a family who can adopt me. Maybe it could be you?

I don't need specs but watch out for yours! I can see pretty well but my hearing's not so good, so I'll need your help with my speech.

Just a bit wobbly on my toes but I pick myself up quickly without a fuss. Watch me run about at nursery!

Tigger isn't as bouncy as me! I love the feel of soft toys. And cuddles too.

Putting the milk in the fridge now that I can eat dairy foods again.

I need a family who can accept me for who I am and will watch me and care for me every step of the way!

I'm used to this blue mug. Maybe you can get me one in orange? Or green?

I'm worth my weight in gold but a few coppers in the Piggy Bank will do for now.

Deciding what to have for dinner? I know - Chocolate!

They call me the handyman with the Hoover. It helps to clear up any mess I make!

Are you the right family?

We would consider any family who can give Luke the understanding and care that he needs. Financial support and respite care could be available. Would you like to know more about Luke? If the answer is 'yes' or even 'maybe' please ring Chris on 020 7520 2881.
